The screenshot shows the Soflabs website. The header includes the Soflabs logo and navigation links: OUR SERVICES, PRODUCTS, PARTNERS, ABOUT US, BLOG, CONTACT US, and a QUICK CONTACT button. The main banner features the text 'API Testing' and describes their technical approach using Postman, SoapUI, JMeter, and Tosca. Below the banner, a paragraph states they have been assisting companies to optimize testing processes for 15 years. A section titled 'Increased Profitability and Efficiency' lists two bullet points about reducing manual tests and saving time and costs. A chatbot bubble says 'Hi, welcome to Soflab Technology.' The Windows taskbar at the bottom shows the time as 13:02 on 10.08.2022.
